

BUFFY ANDREWS'S SERVICE FEES:

Buffy is currently able to accept the following insurances: **BCBS (not blue value) of NC, CIGNA, Aetna, UnitedHealth Care, and MedCost.**

Buffy Andrews is highly skilled and specialized in the trauma work she does, and her calendar is often booked far in advance. In order to serve everyone to the best of her capacity the following pay rates are her standard fees for services. If we are able to accept your insurance, and you choose to utilize that, we will help you verify your insurance to determine your copay amount if you would like to do self pay due to lack of insurance, or preference for not having a diagnosis, you may utilize the self-pay rates below:

Initial Intakes/Assessments for Individuals: \$125

Initial Intakes/Assessments for Couples/Marriage Counseling: \$150

Individual Therapy Session: \$100/session

Couples/Marriage Counseling Session: \$125/session

If you are struggling financially and feel these rates are unattainable for you, please don't hesitate to reach out/email about discounted pricing or ways to apply for scholarships (www.thiswholelife.org). We are always willing to work with individuals, so if healing is what you're after - don't let the pay rate be a hindrance, please reach out today!
